Labor day is a creation of the labor movement and is dedicated to the social and economic achievements of the American worker. It constitutes a yearly national tribute to the contributions that workers have made to the strength, prosperity, and well-being of our Nation. Praise God for our working men and women who have provided for the progress of our country. Let's continue to be strong through God's presence in our lives.

Operation Sonshine:

Today is “Operation Sonshine.” A time when we honor all those who have birthdays or anniversaries during the month of September. Vicki Achenbach will ask you to come forward and present you with a special remembrance of your special day. If you bring an offering with you it will help with our Flower Fund which provides a floral arrangement at the funeral service for those church members who have lost an immediate family member. Please allow us to help celebrate your birthday or anniversary and also provide a remembrance to others in their time of sorrow.

Anniversary In September:

We are looking forward to Sunday, September 12. That will be our 60th church anniversary, and we are going to have a wonderful time of celebration. We will begin with Sunday School, then Morning Worship, followed by a great time of fellowship with a pitch-in dinner. **Mark your calendar right now and plan to invite your friends and be with us for this special day.** If you can help with serving or preparation of the luncheon please see Judy Wendel. ***This will be a “pitch in” so plan to bring your favorite desserts and salads; in disposable containers if possible. The church will provide the main course and drinks.***

Next Sunday

Bible Basics 101:

There is still time to sign up for our special “Basic Course” to understanding and being familiar with the Bible. And though it's basic, it will also be of great benefit to everyone who participates. We will use two textbooks that will be great additions to your library for future reference. Seeing The Story of the Bible, by Myer Pearlman and The Bare Bones Bible Handbook: 10 Minutes to Understanding Each Book of the the Bible. We will begin the study on Sunday evenings the week after Anniversary, on September 19, at 6:00 pm. This is something that could totally revitalize your appreciation for God's Word. Please sign up at the Hospitality Booth.

Books are available for purchase after service, in the Coffee Shop.

Be Sure to Pick Up "The Word For You Today":

Be sure to pick up several copies of this **new issue** of "The Word For You Today" devotional. These booklets provide you with tremendous witnessing opportunities as you give them to your family, friends, neighbors, people at work, or where you shop. Use them to help yourself and others to develop a closer relationship with Jesus. We really need your financial help in providing this special outreach tool. We must budget ahead to provide for the next quarterly issue. Please consider making a pledge to give a monthly offering, as a missions project, or simply give toward the next issue only. You may fill out a pledge form to give regularly, or place a one time donation in any regular offering.

Welcome To Our Guests:

Thank you for joining us today. Sunday is always a special time of celebration here at the Tabernacle. **We're glad you're here!** Make your life a victorious one, by joining us regularly for spiritual celebration and praise. We hope you feel a sincere welcome from our family of believers and that you sense the warmth and presence of God's Holy Spirit. Please come again and enjoy God's presence with us in our services. Let us know how we can serve you or meet the needs of your family. **Be sure to take a free, "God's Word For You Today," devotional home with you and please fill out a visitor's card so we can have a record of your visit with us.**
